

MEDIA RELEASE

Small Ships, Big Adventures with AE Expeditions

SYDNEY, AUSTRALIA (2 July, 2024) – AE Expeditions (part of Aurora Expeditions), the pioneering adventure travel company known for immersive and responsible small ship exploration, is inviting travellers to take advantage of a suite of incredible new offers for those wanting to make their polar travel dreams a reality in 2024 and 2025.

From now until 30 September 2024, travellers can enjoy up to 20% savings on itineraries to Antarctica 24/25 and Arctic 2025 PLUS an Air Credit of USD \$2,000 for ALL Antarctica 24-25 sailings or GBP £1,150 for ALL Arctic 2025 voyages.

“Our small ships promise big adventures, and we’re excited to be able to offer even bigger value for our passengers for our upcoming seasons in Antarctica and the Arctic on top of the AE Expeditions difference, including immersive activities and more time off ship,” commented the company’s CEO, Michael Heath.

“AE Expeditions’ voyages open our passengers up to the untamed beauty of our planet’s most remote corners, from the icy expanses of Antarctica to the wonders of Greenland’s epic fjord systems, the glaciers and wildlife of Svalbard, or the fabled Northwest Passage. Whichever voyage you choose, our state-of-the-art small ships and world-class Expedition Team ensure endless opportunities for adventure.”

Some of the company's Small Ships, Big Adventures on offer* include:

About AE Expeditions

AE Expeditions is part of Aurora Expeditions headquartered in Sydney, Australia.

Aurora Expeditions is an award-winning Australian-owned adventure travel company that has pioneered experiential travel for over 33 years. A Certified B Corporation™ and proudly Carbon Neutral, at the heart of each experience is a commitment to the protection and preservation of our planet.

Founded on the guiding principles of adventure and endless exploration, our carefully curated small-ship voyages offer immersive activities, more time off ship and thoughtful enrichment programs in some of the

planet's most remote and incredible places.

Aurora's two purpose-built small ships, *Greg Mortimer* and *Sylvia Earle* are designed for global discovery. The company's third ship, *Douglas Mawson*, will set sail in December 2025.
