Experience the ‘Real Deal’ with AE Expeditions

SYDNEY, AUSTRALIA (March 5, 2024) – Australia’s award-winning expedition company, AE Expeditions (part of Aurora Expeditions) has today released a suite of unbeatable new adventure deals for travellers wanting to book the trip of a lifetime in 2024 and 2025.

From now until June 30, 2024, explorers can choose from an abundance of lifechanging adventures with combinable air credits and incredible voyage fares on offer, on the expedition company’s voyages to Antarctica, the Arctic and beyond.

“We welcome those looking for the trip of a lifetime to take advantage of some outstanding value for our upcoming expeditions in some of the world’s most remote and beautiful wilderness areas,” commented the company’s CMO, Hayley Peacock-Gower.

“Whether chasing the Northern Lights in what is predicted to be an amazing year for aurora watching, searching for polar bears, taking part in immersive activities such as camping on the ice or snorkelling amongst penguins and icebergs in Antarctica, an adventure with Aurora Expeditions is guaranteed to delight in unimaginable ways.

“We can’t wait to welcome our passengers on board to experience our small, purpose-built ships, expert teams, our commitment to responsible travel and our unique approach to adventure, with more time and freedom off-ship to explore the myriad natural wonders our planet has to offer.”

Just some of AE Expeditions’ Adventure Deals include:
